Bachelor's Thesis Plannig

Carlos Segarra Gonzalez

November 10, 2019

This document aims to provide an *orientative* schedule and roadmap for the last months of my thesis work, during which the main documents need to be produced. Table 1 contains a summary of the suggested dates. The acronyms stand for: Carlos Segarra (CS), Ricard Delgado (RD), and Jose Adrián (JA).

Apart from the specified deadlines, the project will be always accessible through two different GitHub repositories. One in the standard [website](#) (private, but RD & JA have been added as collaborators), and one in CSEM's [private](#) GitHub (only accessible for RD).

Lastly, further information can be obtained through [CFIS's](#) website.
